| As Left Condition: Left As Found  | Temperature:                     | 22.5 °C |  |
|---|----------------------------------|---------|--|
| Procedure: MFR Manual :   | Humidity:                        | 47.0 %  |  |
| Technician Remarks: Calibrated per AMS 2750 G at Customer specified calibration points.   |                                  |         |  |
| • No sampling plan or other procedure was used for this calibration. Measurements and information on this certificate<br>time of calibration only and any number of factors may cause the calibrated item to drift out of tolerance before the a<br>calibration interval.   |                                  |         |  |
| • The calibration results published in this certificate were obtained using test equipment that has been calibrated by Ce<br>and are traceable through the National Institute of Standards and Technology (NIST), derived from natural physical<br>ratio measurements, or compared to consensus standards to the International System of Units (SI).  | •                                |         |  |
| • Reported uncertainties represent expanded uncertainties expressed at approximately the 95% confidence level using a factor of k=2. J.H. Metrology Co., Inc. does not apply the reported calculated measurement uncertainty to manufactur sources of tolerances/specifications to determine the instrument pass or fail status. (Uncertainties are listed separated point.) It is the responsibility of the Customer to consider measurement uncertainty when determining the instrument | rer or other<br>ly for each test |         |  |
| • (!) Designates that the expanded uncertainty of measurement does not meet the 95% confidence level.   |                                  |         |  |
| • This certificate may contain data that is not covered by our 17025 Scope of Accreditation and are marked with an as   | terisk (*). Pass/Fail            |         |  |

tests are not accredited. Calibration Standards listed on this Certificate of Calibration with a Due Date of 00 0000 are support items that

The results contained herein relate only to the item calibrated. This certificate shall not be reproduced except in full, without the

J.H. Metrology Co., Inc.'s Calibration Control System complies with applicable requirements of ANSI Z540-1, ISO 9001:2015 (by DQS, Inc),

1924 Pinnacle Drive Aurora, IL 60504
